Fellowship Support

This section provides a summary of all Graduate Fellowships administered through the Graduate School for 2004-2005.

**Multi-Year Fellowships**
Multi-Year Fellowships are awarded on a competitive basis to highly qualified new graduate students. The 12-month award carries a stipend of $15,000, a full tuition scholarship and student health insurance. The fellowships are awarded for two years for master's students or for a total of three years for doctoral students. Candidates must be enrolling in their first year of study in a graduate program and are expected to have outstanding academic credentials. In 2004-2005 the Graduate School awarded Multi-Year Fellowships to the following programs:
- Animal Sciences
- Anthropology
- Computer Science (2)
- English
- Geography
- Library Science (3)
- Psychology (2)

**Kentucky Opportunity Fellowships**

As a result of being identified as having achieved national distinction or being well-positioned to gain such recognition, selected graduate programs are allocated a KOF by the Graduate School. For 2004-2005, these fellowships included a 12-month $15,000 stipend, a full tuition scholarship and student health insurance. In 2004-2005 the Graduate School awarded KOFs to the following programs:
- Agricultural Economics
- Anatomy and Neurobiology
- Animal Sciences
- Anthropology
- Biochemistry
- Biology
- Biomedical Engineering
- Business Administration
- Chemical Engineering
- Chemistry
- Civil Engineering
- Communication
- Computer Science
- Economics
- Electrical Engineering
- English
- Geography
- Gerontology
- Hispanic Studies
- History
Presidential Fellowships

Presidential Fellowships are awarded on a competitive basis to qualified graduate students with excellent academic credentials. The fellowship carries a $15,000 stipend, a full tuition scholarship and student health insurance. In 2004-2005 the Graduate School awarded Presidential Fellowships to the following programs:

- Animal Sciences
- Biochemistry
- Biology
- Educational & Counseling Psych.
- Electrical Engineering
- Geography
- Mathematics
- Music
- Pharmaceutical Sciences
- Physics & Astronomy
- Psychology

Dissertation Year Fellowships

Highly-qualified doctoral candidates who have recently passed the qualifying examinations compete for these $16,000 12-month fellowships. Student health insurance is included. In 2004-2005 the Graduate School awarded Dissertation Year Fellowships to the following programs:

- Anthropology
- Educational & Counseling Psychology (2)
- Geography (2)
- History
- Mechanical Engineering
- Pharmaceutical Sciences (2)
- Plant Pathology
- Public Administration -PhD
- Sociology

Graduate Fellowships for Women in Under-Represented Areas

Five fellowships of $15,000 each, plus tuition and student health insurance, are available for women applicants to programs in nationally under-represented areas. In 2004-2005 the Graduate School awarded the fellowships to the following programs:

- Business Administration (2)
- Mathematics (2)
James Still Fellowship
This $15,000 multi-year fellowship, created to honor author James Still, is offered on a competitive basis to students in the humanities or social sciences who are from the Appalachian area. The fellowship also carries a full tuition scholarship and student health insurance. In 2004-2005 the Graduate School awarded James Still Fellowships to the following programs:

- History
- Psychology
- Sociology

Lexington Herald-Leader Fellowship
These fellowships are awarded to currently enrolled or newly admitted students pursuing a graduate degree in a field of interest to the Lexington Herald-Leader. The fellowship provides a $10,000 stipend and a full tuition scholarship. In 2004-2005 the Graduate School awarded the fellowships to the following programs:

- Public Administration (MA)

Otis A. Singletary and Charles T. Wethington Jr. Fellowships
These one-year awards are for graduating UK seniors who have demonstrated high academic achievement in an undergraduate program and are entering UK graduate or professional study. Programs receiving Singletary ($12,000) and Wethington ($20,000) Fellowships in 2004-2005:

- Singletary: Classics
  - Curriculum & Instruction (2)
  - Diplomacy
  - Library Science
- Wethington: Accounting
  - Biology
  - Business Administration
  - Civil Engineering
  - Curriculum & Instruction
  - English
  - College of Law
  - Mechanical Engineering

Daniel R. Reedy Quality Achievement Awards
Awards of $3,000 per year are available to be used as “add-on” funding to awarded fellowships or assistantships. The awards are potentially renewable for a second year for master’s students or for a total of three years for doctoral students. In 2004-2005 the Graduate School awarded Daniel R. Reedy Quality Achievement Awards to the following programs:

- Animal Science
- Anthropology (3)
- Biochemistry (2)
- Biology
- Biomedical Engineering
- Business Administration (4)

**External and Departmental Fellowships**
In addition to fellowships funded by UK, the Graduate School also administers external fellowships and departmental fellowships. External fellowships administered in 2004-2005 are the American Foundation for Pharmaceutical Education
Fellowships, National Science Foundation Graduate Research Fellowships, and the Howard Hughes Medical Institute Predoctoral Fellowships in Biological Sciences.

**American Foundation for Pharmaceutical Education (AFPE) Fellowships**
These fellowships are awarded to graduate students in Pharmaceutical Sciences and carry a stipend of $6,000. In 2004-2005, Pharmaceutical Sciences students received five of these fellowships.

**National Science Foundation Graduate Research Fellowships**
These fellowships carry a multi-year $30,000 stipend, full tuition scholarship, student health insurance and a cost of education book, travel, and research grant. Programs receiving an NSF fellowship in 2004-2005:
- Chemistry
- Mechanical Engineering
- Plant Pathology

**Patterson School of Diplomacy and International Commerce Fellowships**
In 2004-2005, the Patterson School awarded 9 fellowships for $4,000, and 3.5 fellowships for $5,000.

**Graduate Student Incentive Program**
The Graduate Student Incentive Program provides a 5% supplemental stipend to graduate students who have been awarded nationally competitive fellowships of $10,000 or more annually. Programs receiving the GSIP in 2004-2005:
- Anatomy & Neurobiology (3)
- Anthropology (2)
- Biology
- Biosystems & Agr. Engineering
- Chemistry
- Geography
- Hispanic Studies
- Molecular and Cellular Biochemistry (6)
- Mechanical Engineering (3)

OTHER STUDENT SUPPORT AWARDED BY THE GRADUATE SCHOOL:

DISSE MINATION ENHANCEMENT AWARD
These awards of up to $3,000 are available to support post-qualifying graduate student doctoral projects that require research to be conducted at a site distant from the campus. Programs may nominate two students per academic year.

Total Awarded 2004-2005: $ 49,946

COMMONWEALTH RESEARCH AWARD
These awards range from $500-$1,000 and are used for travel expenses for graduate students to present research findings of the highest quality at professional, scholarly conferences. Programs may nominate one student per academic year.

Total Awarded 2004-2005: $ 28,969

STUDENT SUPPORT
Students may request funds from the Graduate School to help defray certain expenses relating to their graduate education. These awards of up to $400 per fiscal year are used for research-related travel, research expenses, or travel to professional meetings to present research results. This award is self-nominating, but must have the approval of the Director of Graduate Studies.

Total Awarded 2004-2005: $ 238,362

VISITING DISTINGUISHED FACULTY PROGRAM
This program provides funding to bring a nationally recognized scholar to campus to serve as the Graduate School Outside Examiner for an outstanding doctoral student’s Final Examination. The distinguished visitor will give a colloquium on his or her research that will enrich the scholarly environment for the program in which the student is enrolled. The award carries a $500 honorarium to the distinguished faculty and up to $1000 in travel/colloquium expenses.

Total Awarded 2004-2005: $ 1,500

GRADUATE PROGRAM ENRICHMENT FUNDS
Graduate program enrichment funds are available to support seminars and symposia by distinguished outside speakers. Awards up to $1000 are available to support honoraria, travel and other expenses associated with these events.

Total Awarded 2004-2005: $ 9,414

STUDENT HEALTH INSURANCE
In 2004-2005, the Graduate School Funding Office administered a health insurance plan underwritten by MEGA Life and Health Insurance. Enrolled and degree-seeking graduate students
holding full assistantships (teaching, research, or graduate assistants) or who were full institutional fellowship recipients received the student health insurance at no cost. In the four month fall insurance period 2,058 students met these requirements. For the eight month spring/summer period 1,994 students qualified. The fall and spring health insurance premiums were $226 and $419 respectively.

**Total Expended 2004-2005: $ 1,300,594**

**KENTUCKY GRADUATE SCHOLARSHIPS**
